

Shankar Gangode

- **Academic Batch Year: 2017-2019**
- **Current designation: 2nd year Pharma MBA, NIPER, S.A.S. Mohali. Got placement in Meril Life Sciences Pvt. ltd. Vapi as a Project Manager.**
- **About college:** I am thankful for being part of MVPS's IPS all my life. Its not just about professional growth but personal too. The teachers and staff have been amazing in giving us a well rounded understanding of pharmacy and how it impacts patients. Their constant support and guidance have helped students like me achieve many milestones. **I got a final placement in Meril Life Sciences Pvt. ltd. Vapi as a Project Manager.**

Jayant Umakant Shinde

- **Academic Batch Year: 2018-2020**
- **Current designation: Pharmacy Officer (Rank1) Public Health Department**
- **About college:** The staff are highly experienced and have great knowledge of the subjects in which they are handling. They teach us in such an easy way that everyone in the class understands the topic. We can visit the staff in their respective cabins in case of any doubts or queries regarding the subject. The method of teaching of every faculty member is quite interesting And the faculty is very supportive. The campus life is very good, as it conducts various sports, events, cultural programs, activities, etc.

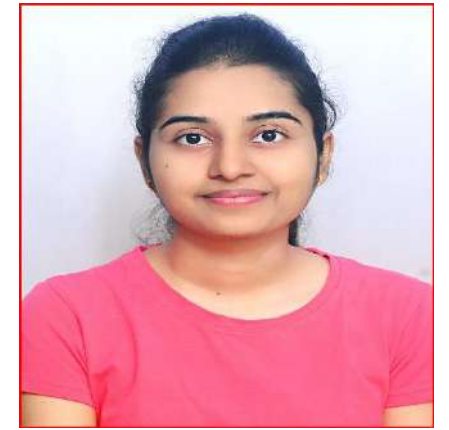

Thank you MVPS's Staff & Management

Hrushikesh Valmik Wagh

- **Academic Batch Year: 2018-2020**
- **Current designation: M Pharm (Pharmaceutics) + MBA (HCM & PT)**
- **About college:** Six year ago in 2018, I stepped into MVPS's Institute of Pharmaceutical Sciences to earn a Diploma in Pharmacy to enrich my education. MVPS's Institute of Pharmaceutical Sciences is full of Life. It is known for shaping the students personality by giving them opportunity of participation in various activities. This college is known for making students empowered by giving them basic and wide knowledge regarding subject as well as overall empowerment of student. Talking about Faculty they are very kind, supportive and highly qualified. College is also well equipped with all essential and advanced instruments and also provide hands on training. I can confidently say that there is use of innovative teaching learning process followed in MVPS's Institute of Pharmaceutical Sciences. "Dream Plan & Act" are best words which college provided me with!

Priyanka Nitin Pachorkar

- **Academic Batch Year: 2019-2021**
- **Current designation: B. Pharmacy, MET Institute of Pharmacy, Nashik.**
- **About college:** I am Priyanka Nitin Pachorkar alumni of MVP's Institute of Pharmaceutical Sciences Nashik from 2019-2021 batch. This is the best institute you can choose for pharmacy for your better education and future. The staff is highly qualified and teaching is really magnificent. Staff here is very supportive and helpful. The college infrastructure is good and laboratories are well equipped with modern instruments. Library is treasure of knowledge with all the books and references required is present.

Currently I'm pursuing Bachelor of Pharmacy and aiming for further education.

Thank you!

Vishal Harishchandra Patil

The infrastructure of laboratory is very good with well equipment to keep student knowledgeable.

Vaishnavi Valmik Gite

- **Academic Batch Year:** 2021-2023
- **Current designation:** B. Pharmacy, NDMVP College of Pharmacy, Nashik.

- **About college:** MVPS's Institute of Pharmaceutical Sciences, Adgoan Nashik is the place where I have completed my Diploma in Pharmacy course. It was the best experience ever to learn in this college from the most efficient, well qualified and kind staff. The college experience I am most thankful for is the opportunity to better myself through education, forming great bonds, and experience with the real world and how people relate with one another. I feel that I am very thankful for the way that teachers pushed us to be a better student, and that they taught us how to manage my time and priorities. Overall, I am very grateful that I attained a quality education to better myself for my future. I truly believe that 2 years diploma course experience have so many different impacts on my life, and prepared me for the real world outside of school.
